

Microwave Oven 3000W, S/S

Model: MRC30S2 • Article no: L11024

Power supply: 230V 1Ph ~60Hz

Constructed to withstand the foodservice environment.
A unique method of energy distribution provides superior even heating throughout the cavity.
With a double rotating antenna and up to 100 programmable menu items simplifies cooking and ensures consistent results. And four stage cooking option with one-touch programming. This reduces preparation time, labour and food waste while providing consistent results.
The microwave has 11 power levels for consistent, delicious results for frozen, refrigerated and fresh foods - from the freezer to table in minutes. Multiple quantity pad calculates the proper cook times for up to 8 items.
The controls are user-friendly and require minimal training.
See-through door and lighted interior for monitoring without opening the door.
A capacity of 28 litres accommodates two standard 4" (102mm) deep half-sized pans.
Stackable to save valuable counter space.
Interior ceramic shelf is sealed and recessed to reduce plate-to-shelf edge impact and keep spills contained.
Removable, cleanable air filter and clean filter reminder protect oven components.
Automatic voltage sensor for easy installation. Standard supply includes a 1.5 m electrical grounded cord.

MAIN FEATURES

- Stainless Steel Interior And Exterior
- Uniform Heating
- Ultimate Timer
- Digital Display And Touch Control
- 11 Power Levels
- Window And Interior Light
- Easy To Clean
